# BIG DUFFER HOSPICE *Golf Outing*

JULY 16, 2022

*In 1970, Jim Bertsch dreamed of forming a group of Sunday golfers that would play like pros with high-stakes tournaments and big money prizes. He golfed each Sunday with the same foursome and wanted to have more people involved and play with different partners. He formed the Duffers Tour and they decided to visit a different course each week and use a name from one of the PGA tournaments for each visit.*

*Through the years, Jim diligently kept the Duffers Tour organized, managed the tournaments and kept track of the "winnings." Jim was the heart and soul of the Duffers and became lovingly known as "The Big Duffer." Jim passed away in 2000 in the care of Hospice of Dubuque. The Duffers Tour continues today in the spirit in which it was founded. The Big Duffer will forever live in the hearts of his friends and family.*
