

Hospice LPN

Hospice of Dubuque, the community's nonprofit hospice, seeks a LPN to join our care team. Come be a part of delivering patient-centered care in the last season of life.

The Hospice LPN works as part of an interdisciplinary team. The duties of the LPN are split between hospice aide services and nursing care. This individual must be able to perform personal care in the home of the hospice patient and provide nursing visits as assigned and according each patient's individual plan of care.

Candidates should possess compassion, sensitivity and strong communication skills. Hospice of Dubuque provides orientation, mentoring and ongoing education within a supportive, client-driven work environment that enables employees to grow as professionals, while performing work that makes a difference in the lives of the patients and families receiving hospice care.

LPN with minimum two years of nursing experience preferred. Individual must be licensed in Iowa, and willing to obtain Illinois and Wisconsin licenses if not already licensed there. Competitive wage and benefits package.
